

# Travel Information: COVID-19 Update: May,19,2020

## New Standard Fun Azul Fleet

Fun Azul Fleet's Initiatives to Prevent the infection of COVID-19

Thank you very much for your patronage to Fun Azul Fleet. Please find below our measures to preserve hygiene on cruise ships for the prevention of infection with COVID-19:

### **SANITATION ON CRUISE SHIPS**

- Alcoholic disinfection is in place where people frequently touch, such as public spaces, door knobs in each room, electric switching, remote controls, and tables.
- Alcohol disinfectants, hand soaps, and paper towels are available in the public spaces and rooms.
- Public spaces and each room are frequently ventilated.
- We frequently clean up public spaces and each room.

### **FOODS ON CRUISE SHIPS**

- For the time being, we will switch to individual plate services instead of the buffet (Free refill).
- Time lag meal time.
- Waiters wear gloves and masks.
- Dishes and other items are washed with hot water.
- The BBQ dinner on local island in the Maldives will be discontinued.

### **SOCIAL DISTANCE**

- We will reduce the number of people housed and avoid unnecessary accesses with others.

(Implemented until the end of October; subject to change depending on the situation).

Mexico---Limited to 12 people for the current 20 people

Maldives---Limited to 12 people for the current 22 people

- Public toilets are temporarily unavailable.
- Camera room is temporarily unavailable.
- Diving activities remain the same.
- Mexico - Keep social distance for setting diving equipment, and small groups in a boat.
- Maldives - Keep social distance for setting diving equipment, and small group entries.
